OCCASIONS

We cater for small functions, birthdays, weddings, anniversaries, christenings, funerals and business meetings.

The dining room will seat 30 and Flanagan's Lounge will seat 20.

However, for buffets and marquees, the numbers can be largely increased. Our dining room is decorated with historic and original panels from Glossop Grammar School and Flanagan's Lounge has relaxed seating for more informal dining. We have set buffet menus available, but we're also happy to create a menu around your requirements.

SLEEP

We offer 3 rooms to choose from on a bed and breakfast basis. Our double and twin rooms are decorated with natural and neutral colours providing a crisp and clean finish, softened by beautiful fabrics that you'll want to relax in.

The deluxe double has full en suite facilities and has a wall mounted flat screen television.

The double has a shower and basin but shares use of the main bathroom along with the twin room.

The twin room has a basin, but shares use of the main bathroom along with the double room.

All rooms include a TV, use of bath robes, toiletries, tea and coffee making facilities. Packed lunches are available on request.
